Touring pitches for
Caravans and Campervans

The sun is shining, the cicadas and crickets are singing, the oleanders are blooming and the Esterel mountains are the backdrop to your pitch. It feels like you're already on holiday!

For the past 48 years, our family has been welcoming guests to enjoy their dream holidays at Esterel Caravaning. Founded by my parents, Jean et Jacqueline Laroche, in 1976, the campsite has seen significant changes over the years. Since I took the helm 28 years ago, the site has become one of the jewels of the French Riviera and Europe. Voted «Superplatz» by the German ADAC for several years & «Top Camping» by the Dutch ANWB, we also received the coveted «DCC Europa Preis Platinum» award back in 2019. This award recognises the Best European Campsite of the year in terms of the quality of our amenities & infrastructures. As we strive to continually meet your expectations, my team and I spend each & every year coming up with new innovative ideas to improve your next holiday.

Mindful of our guests' feedback, we always strive to improve ourselves, with only one goal:

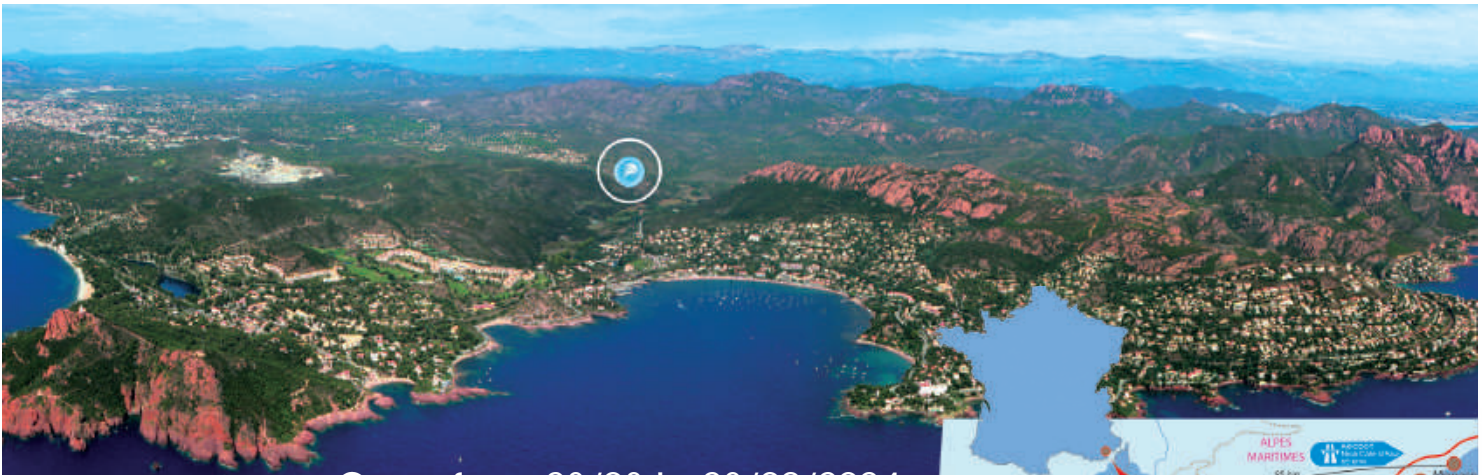

To make your next holiday an absolutely unforgettable experience.

Today, Esterel Caravaning embodies the hot new trend known as «Glamping», a marriage between camping & glamour. As such, every year, we upgrade our range of pitches so they always offer more space & comfort. From 80 to 250 sq meters (861 to 2153 sq ft), with free on-site Wi-Fi, the Esterel Caravaning pitches can accommodate all sorts of Caravans & Camper-Vans, regardless of size. We also accommodate Motor-Homes & RVs!

From our standard pitches all the way up to the most luxurious, Esterel Caravaning offers a wide range of amenities, some of which are unique to us and cannot be found anywhere else in Europe:

private heated bathrooms, dishwashers, washing machines, refrigerators, sunbeds & even private Spas!

Take your pick & start dreaming of your next stay with Esterel Caravaning.
